Goods Movement

10. Climate Action Resources **Information** **11:55 a.m.**

Bay Area Air Quality Management District – Climate Protection Program
(<http://www.baaqmd.gov/Divisions/Planning-and-Research/Planning-Programs-and-Initiatives/Climate-Protection-Program.aspx>)

California Air Pollution Control Officers Association, *Model Policies for Greenhouse Gases in General Plans: A Resource for Local Government to Incorporate General Plan Policies to Reduce Greenhouse Gas Emissions*, June 2009.
(<http://www.capcoa.org/modelpolicies/CAPCOA-ModelPolicies-6-12-09-915am.pdf>)

California Office of Attorney General - CEQA, Global Warming and General Plans --- <http://ag.ca.gov/globalwarming/ceqa/generalplans.php> (Guidance addressing CEQA, climate change, and general planning is emerging, for example, in comment letters by the Attorney General, and negotiated resolutions, including the recent settlement with City of Stockton and the Sierra Club, which requires preparation of a climate action plan.)

California Natural Resources Agency – CEQA Guidelines Amendments
(<http://ceres.ca.gov/ceqa/guidelines/>)

San Francisco Climate Action Web Portal --- www.ca-ilg.org/SFBayClimate
(As the go-to site for information on climate action for local governments, ILG invites local governments to share their best practices, new policies and innovative local climate actions. What is your agency doing to reduce greenhouse gas emissions?)
